

EQUALITY, DIVERSITY AND INCLUSION POLICY

1. Statement

- 1.1 Tetbury & District u3a is a learning co-operative and membership charity which enables members in their third age to share educational, creative and leisure activities. Members of our u3a draw upon their knowledge, skills and experience to teach and learn from each other. Tetbury & District u3a recognise that some people are particularly likely to experience discrimination and harassment and are committed to making sure that our u3a is as inclusive and welcoming as possible.

2. Aims of this policy

- 2.1 This policy has been drawn up to comply with the Equality Act 2010. The Act stipulates that organisations cannot treat someone unfairly on the basis of what it calls 'protected characteristics', which are:
- ethnic origin, nationality (or statelessness) or race
 - age
 - disability
 - religion or belief (including the absence of belief)
 - marital or civil partnership status
 - sexual orientation
 - pregnancy
 - gender reassignment
 - sex
- 2.2 Tetbury & District u3a will strive to ensure that members do not experience discrimination on the basis of their protected characteristics. This will include ensuring equal access to groups and behaviour between members and by u3a Committee Members and group leaders. The Equality Act highlights that organisations need to consider what '**reasonable adjustments**' can be made in order to accommodate those who may have particular needs. Tetbury & District u3a Committee will review the reasonable adjustments needed for all members and individual members with particular needs on an ongoing basis. Where necessary, the Committee will seek guidance and additional support from the u3a National Office.

3. Practical approaches to inclusion

- 3.1 We will make sure all members are aware of our policies and procedures in relation to equality, diversity and inclusion and accessibility as well as the Member Code of Conduct. We will make reasonable adjustments and take practical steps to ensure a wide range of people can participate in our activities and meetings. This may include:

- Considering the time of day of meetings and their location.
- Considering venues for meetings including:
 - Accessibility to wheelchair users
 - Access to PA system and a hearing loop
 - Parking and disabled parking availability
 - Disabled toilet facilities availability
- Publicity:
 - Using a variety of methods and platforms to communicate externally and raise the profile of the u3a
 - Make communications available to those who don't have access to the internet
 - Use a range of images that reflect the local community
- Recruiting new members:
 - Doing outreach sessions and contacting agencies working with community groups who may be harder to reach
 - Encouraging members who are representative of the groups who are underrepresented within the u3a i.e. men or younger members to assist with the recruitment process
 - Managing growth so that we ensure that new members can be accommodated
- Monitoring:
 - We will monitor member numbers i.e. the numbers of members who join, re-join and leave each year in order to identify any trends in membership.
 - We will review the diversity of the membership on an ongoing basis and will seek to ensure that the u3a remains attractive and accessible to all.
- Tasks and Roles:
 - We will encourage a range of people get their voices heard by encouraging more members to take on roles such as leading groups.
 - The Groups Coordinator will ensure that Group Leaders are made aware of their responsibilities in relation to accessibility and what steps they may need to take in meeting access requirements. Each group will be treated on an individual basis as certain groups may require a certain level of fitness or mobility and members need to be made aware of this in advance.

4. Code of Conduct

- 4.1 Tetbury & District u3a has a member Code of Conduct. The code of conduct outlines that members should abide by the u3as policies and procedures as well as treating each other with dignity and respect. This would include not acting in a way that would be deemed discriminatory or offensive.

5. Dealing with discrimination and harassment

- 5.1 Where the Committee become aware of any discriminatory practice or harassment, the committee will seek to address this through consultation with all parties concerned and, where necessary, through invoking formal procedures.
- 5.2 If any member of our u3a feels they have experienced or witnessed discriminatory behaviour or harassment, this should be reported to the Committee. Any matters of concern will be reviewed by the Committee and a decision will be made, in line with our formal procedures, as to what steps will be taken to address the issue.

6. Definitions

- 6.1 **Equality** is about ensuring that every individual has an equal opportunity to make the most of their lives and talents and believing that no one should have poorer life chances because of where, when or whom they were born, or because of other characteristics. Promoting equality is about behaving in a way that tackles inequalities, aiming to ensure that all members are treated fairly, and do not experience discrimination.
- 6.2 **Promoting diversity** is about recognising that everyone is different and creating an environment that values members and ensuring that the u3a movement is as accessible as possible to different groups within the community.
